"Changing alcoholic beverage sales/consumption termination time on Ocean Drive from 5th to 15th Streets

City law currently allows the sale and consumption of alcoholic beverages on private property at alcoholic beverage establishments located on Ocean Drive from 5th to 15th Streets from 8:00 a.m. until 5:00 a.m. the following day. Shall an Ordinance be adopted changing this current 5:00 a.m. termination time to 2:00 a.m., exempting from this time change those indoor portions of alcoholic beverage establishments that are completely enclosed and located entirely within hotels?

Explanation

Currently, alcoholic beverage establishments located on private property on Ocean Drive, between 5th and 15th Streets, are permitted to offer alcoholic beverages for sale and consumption from 8 a.m. until 5 a.m. the following day.

This ballot question asks City voters whether the Mayor and City Commission should adopt an Ordinance changing the current 5 a.m. termination time for the sale and consumption of alcoholic beverages to 2 a.m. for alcoholic beverage establishments on private property on Ocean Drive, between 5th and 15th Streets. The proposed Ordinance would exempt (not apply to) the indoor portions of such alcoholic beverage establishments that are completely enclosed and located entirely within hotels.

If a majority of the City's electors voting on this ballot measure vote in favor of it, that approval will have binding, official effect on the City of Miami Beach, and the proposed Ordinance will be codified upon its adoption by the City Commission."
