

Advocate for Residents of Miami Beach

We are a community-based 501(c)4 not-for-profit organization providing Miami Beach residents a cohesive voice for city-wide issues that impact our quality of life. Click here to [join us!](#)

December 12, 2018: Another Busy Day at Commission Chambers! These are Miami Beach United's Resolutions:

- Agenda Item **R5-D, R5-E, R5-F, R7-A, R7-B** - Ordinance Amendments for 500-700 Alton Road Projects
- Agenda Items **R5-A** - North Beach Town Center - Central Core Comprehensive Plan Amendment and Central Core Land Development Regulations

Want to read the proposed Commission agenda items and get info about the Commission meeting on Wednesday? Click [here](#) .

Want to contact your elected officials directly? Click [here](#) .

Commission meetings start at 9 a.m. at the Commission Chambers on the 3rd floor of City Hall. There is a Sutnick Hour, at which residents may address the Commission on any subject, from 8:30-9, and 1:-1:30.

Opposition to Ordinance Amendments Regarding the 500-700 Alton Road Project Agenda Items

R5-D, R5-E, R5-F - scheduled for 5:00 pm R7-A, R7-B - scheduled for 9:30 am

(Previously C4-F and C4-A and R5-A, R5-B, R5-C, R7-A, R7-I)

Executive summary:

The City is seeking to make significant alterations to the code for a massive development project, including but not limited to vacating a public right of way, and increasing height limits, without a public referendum.

Why It Matters

- Miami Beach United objects to the referral of rezoning and land development regulation amendments to the Planning Board unless and until a fully negotiated development agreement, spelling out every detail, has been completed. The Planning Board should have the benefit of complete information before rendering a recommendation.

Restating the original position:

- This development project is important because it sits at the southern gateway to the City of Miami Beach, and is the first thing visitors crossing the MacArthur Causeway will see. Currently, and for the last number of years, the site has been home to a derelict building and surrounding underutilized land. There is a great desire to see these city blocks developed in an appropriate manner; this should be a legacy project.
- Based on a review of the City charter, we believe the proposed transaction violates the charter by circumventing a required public referendum for the purpose of benefiting a single for-profit developer.
- Because of the dangerous precedent that would be set by allowing a tripling of FAR on one property and a six-fold increase (although that number seems to be increasing daily) in the height of a tower on that property, the City charter must be respected and followed by scheduling a City-wide referendum on this project before it is allowed to move forward.

Miami Beach United is **IN OPPOSITION TO** these amendments.

Opposition to Ordinance Regarding Architectural District Parking Height Restrictions Exemptions

Agenda Item R5-A - scheduled for 2:05 pm

(Formerly R5-A, R5- C, R5-D and R5-F)

Executive summary:

The City is seeking to allow increased height for a parking garage structure in an architectural district.

Why It Matters

- The height restrictions were put in place for this architectural district to protect the character of the neighborhood; this exemption would allow a structure which overshadows the adjacent contributing buildings.
- The City has documented a declining trend in parking usage over the past three years, and the City is encouraging usage of public and/or shared ride transportation issues; therefore building excessive height to allow for more parking spots seems counter to the stated facts and goals.
- If an exemption is made in one historic district, someone seeking to do the same in another historic district will be able to point to this case as a precedent.
- **MOREOVER**, Miami Beach United feels it is imperative that the Historic Preservation Board sees/vets any plans in an architectural district PRIOR to it going

to Commission for a vote.

Miami Beach United is IN OPPOSITION TO these amendments.

Miami Beach United Introduces Inaugural Annual "Commission Scorecard"

Tracks Commission Votes To Show How Resident-Friendly
the City Of Miami Beach Elected Officials Are

Here's how it works:

Each month, Miami Beach United identifies and tracks issues coming before the Commission. Many of these issues become resolutions, voted on by the

Board of Directors, and shared in advance of the monthly Commission meetings with the Mayor and Commissioners (and staff) of the city of Miami Beach.

They are also shared with all of you via this mailing list for MBU.

In each case, whenever MBU passed a resolution on a matter before the Commission, the scorecard indicates whether or not an individual elected official supported or opposed the action recommended by MBU.

For ordinances, which require two hearings, only the final vote on Second Reading was recorded and counted. In some cases, when MBU's recommendations were only partially implemented, that was treated as a neutral action, and that vote was excluded from the total score.

All items were weighted equally when calculating an overall percentage grade for each elected official during the measurement period.

This Commission Scorecard process will commence for the 2018-2019 Fiscal Year with the November 2018 Commission meeting, with the final scorecard to be published at the end of October 2019.

Click [here for more information](#) and [here to view the scorecard](#) in its entirety, including which resolutions were tracked.

2018 MBU Board of Directors

Officers

Nancy Liebman, Chairwoman Emeritus; Co-President
Tanya K. Bhatt, Co-President; Marketing & Communications
