

Special Thanks to Mark Samuelian!

At our most recent board meeting on June 13th, Mark Samuelian resigned as President of MBU. Mark is a candidate for City of Miami Beach Commissioner Group 2 and was strongly encouraged to run by many of his fellow MBU Board Directors.

Here's a partial list of accomplishments during Mark's term:

- Informed residents and ultimately helped to stop the "train to nowhere"
- Recognized by Coalition Against Causeway Chaos for instrumental role in stopping Watson Island Flagstone project
- Led the MBU residents' right to know ordinance effort
- Raised awareness and credibility of MBU across Miami Beach and especially at City Hall
- Doubled MBU's paid membership in 6 months achieving our strongest financial position ever

We appreciate Mark's service as MBU President and wish him well in the campaign.

The New MBU Resident Scorecard

After our municipal elections this fall, Miami Beach United will compile a scorecard to educate and inform residents. The new "Resident Scorecard" measures Commission and Commission Committee votes to show how resident friendly the City of Miami Beach Mayor and Commissioners are.

Here's how it works:

- Miami Beach United identifies and tracks issues that affect Miami Beach residents quality of life.
- Official votes cast by elected officials are logged and scored on a scale from 0-100%. The highest score represents the most resident friendly voting record.
- The resident scorecard will be updated monthly, distributed over email and shared on social media.
