## MBU Digital Kiosks Resolution

**Where as**, Miami Beach United Inc, a non-profit residents organization whose mission is to support issues that affect the quality of life for the citizens of Miami Beach,  
and

**Where as**, on January 11, 2017, the City of Miami Beach Commission voted to prepare a bid for digital kiosks to be installed in public spaces throughout Miami Beach,  
and

**Where as**, the proposed kiosks will make a significant impact on the city's public spaces,  
and

**Where as**, the residents of the City of Miami Beach had no information or notification as to why the city needs or desires to contract for the use of digital kiosks throughout the city, and

**Where as**, there are minimal public benefits for installing kiosks throughout the city,  
and

**Where as**, in today's world of personal Internet users, people have a multitude of information choices that do not inflict clutter and blight in the city's public spaces,  
and

**Where as**, digital kiosks will denigrate the ambiance of the city's commercial areas in which the city prides itself; its beautiful landscapes, the unique natural environment and strong laws that govern the Rights of Way,

**Therefore**, Miami Beach United Inc urges the City to reject the idea of creating digital kiosks as information sources for tourists and residents.
